Construction of Modern Roundabout at Route 190 and Route 319 in Stafford

The Connecticut Department of Transportation is announcing the commencement of work activities for the construction of a modern roundabout at Route 190 and Route 319 in Stafford, beginning on April 13, 2020.

The project consists of the replacement of the existing "Y" type intersection with a modern roundabout which will include raised splitter islands, a landscaped raised center island as well as improved roadway alignments and grades. The existing bridge and culverts carrying West Stafford Brook will be replaced with two precast concrete culverts.

DOT Project No. 0134-0147 was awarded to Spazzarini Construction Company, Inc. at a cost of \$3,662,918.05, on March 13, 2020, and is scheduled to be completed on September 3, 2021.

Lane Closure Information

Route 190:

- The contractor will be allowed to interfere with traffic Monday through Friday between 9:00 AM and 3:00 PM, and 6:00 PM and 6:00 AM.

Route 319:

- The contractor will be allowed to interfere with traffic as required and there are no hourly restrictions. The contractor will also be allowed to close and detour Route 319 for a period of six (6) consecutive weeks during construction. Additional notification will be provided in advance of any closure
