

December 10, 2020

From: Mary Mitta, First Selectman

RE: Town Offices closed to Public

Dear Stafford Community,

For the safety of our community, we are temporarily changing the way we do business. **Effective Monday December 14, 2020** the Town Hall and the Library will be closed to the public. **At this time, staff will still be working and are just a phone call away to ensure continued service to residents. We realize that there are essential services and business that must be conducted and we can assist you with options via the phone or email. For your convenience, a drop box is available outside the Town Clerk's office to drop off tax payments, permits, applications etc... The box is checked multiple times per work day.**

If you need assistance, please contact that department directly at the contact information below:
